

*Hanley International Academy, in partnership with home and community, will provide a safe learning environment that promotes the academic, physical, social, and emotional development of our diverse learning community.*

March 13, 2020

Parents/Guardians -

As promised, we wanted to update you on our plans since Governor Whitmer announced the closing of all Michigan public schools late last night. Our administration spent the entire day yesterday making plans for our teachers to come together today and prepare for this very event.

Hanley International Academy will be closed until Monday, April 13, 2020. From Monday, March 16, 2020 until Thursday, April 2, 2020, we will have limited staff at the school. We will be open Monday through Thursday between the hours of 10 a.m. and 12 noon. Should you need to come to the school to conduct any business, pick up student packets, medication, student's personal items, please do so at this time.

Our staff has worked very hard to put together instructional materials and content for your student to work on while out of school. We encourage all students and parents to stay engaged in the learning process as much as they can.

During this time, all school events, sporting events, community events are canceled. We are currently awaiting direction from the Michigan Department of Education about the ability to provide food services to our students. Once we receive this guidance, we will be sure to pass it on to you.

As you are well aware, things having been changing rapidly as new information becomes available to us. We want to thank you for your continued understanding, patience and partnership as we all work through these uncharted territories. We continue to stay focused on doing what is best for the health and safety of our students, staff and community.

We will continue to remain in contact with you as things change. As always, if you have any questions feel free to reach out to us.

Steve Paddock  
Superintendent
