It is the expectation of the Board of Directors that the Educational Service Provider will prohibit discrimination on the basis of race, color, national origin, sex, (including sexual orientation or transgender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, in its programs and activities, including employment opportunities.

School Compliance Officers

The Board designates the following individuals to serve as the School's "Compliance Officers" (also known as "Civil Rights Coordinators") (hereinafter referred to as the "COs")

[NOTE: Academies are advised to appoint both a male and female CO in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The COs may also serve as the School's Section 504 Compliance Officer/ADA Coordinator and Title IX Coordinator. Additionally, by appointing two (2) COs, there should always be a CO available to investigate a claim of discrimination that pertains to the other CO.]

(313) 875-8888

The names, titles, and contact information of these individuals will be published annually in the staff handbooks.

The COs are responsible for coordinating the School's efforts to comply with applicable Federal and State laws and regulations, including the School's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination/retaliation or denial of equal access. The COs shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. Any sections of the School's collective bargaining agreements dealing with hiring, promotion, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement above. In addition, any

gender-specific terms should be eliminated from such contracts. A copy of each of the Acts and regulations on which this notice is based may be found in the CO's office.

Reports and Complaints of Unlawful Discrimination and Retaliation

Employees are encouraged to promptly report incidents of unlawful discrimination and/or retaliation to an administrator, supervisor, or other School official so that the Board may address the conduct. Any administrator, supervisor, or other School official or official who receives such a complaint shall file it with the CO within two (2) school days.

Employees who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept complaints of unlawful discrimination/retaliation directly from any member of the School community or a visitor to the School, or receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint, either directly or through a school building administrator, a CO will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to any person who files a complaint. In the case of a formal complaint, the CO will prepare recommendations for the Educational Service Provider or oversee the preparation of such recommendations by a designee. All members of the School community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the employee within two (2) business days to advise him/her of the Board's intent to investigate the wrongdoing.

Investigation and Complaint Procedure (See Form 1422 F2)

Any employee who believes that s/he has been subjected to unlawful discrimination or retaliation may seek resolution of his/her complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights or Equal Employment Opportunity Commission ("EEOC").

Informal Complaint Procedure

The goal of the informal complaint procedure is to stop quickly inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who believes s/he has been unlawfully discriminated or retaliated against. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the parties (the alleged target of the discrimination/retaliation and individual(s) alleged to have engaged in the discrimination) agree to participate in it.

Employees who believe that they have been unlawfully discriminated/retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a School employee or any other adult member of the School community against a student will be formally investigated.

As an initial course of action, if an individual feels that s/he is being unlawfully discriminated/retaliated against and s/he is able and feels safe doing so, the individual should tell or otherwise inform the person who engaged in the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The complaining individual should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to inform the person who allegedly engaged in the unlawful conduct of his/her concerns is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination, such as sexual discrimination, the CO may advise against the use of the informal complaint process.

An individual who believes s/he has been unlawfully discriminated/retaliated against may make an informal complaint, either orally or in writing: (1) to a building administrator; (2) directly to one of the COs; and/or (3) to the Educational Service Provider or other School official.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School's informal complaint procedure is designed to provide employees who believe they are being unlawfully discriminated/retaliated against with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful discrimination/retaliation, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the individual about how to communicate his/her concerns to the person who allegedly engaged in the discriminatory/retaliatory behavior.
- B. Distributing a copy of Policy 1422-Non-Discrimination as a reminder to

- C. the individuals in the school building or office where the individual whose behavior is being questioned works.
- D. If both parties agree, the CO may arrange and facilitate a meeting between the individual claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.

All materials generated as part of the informal complaint process will be retained by the COs in accordance with the Board's records retention policy. (See Policy 8310)

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the individual elects to file a formal complaint initially, the formal complaint process shall be implemented.

An individual who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant"), may file a formal complaint, either orally or in writing, with a principal, the CO, Educational Service Provider, or other School official. Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a principal, Educational Service Provider, or other School official, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person who allegedly engaged in the misconduct. In making such a determination, the CO should consult the Complainant to assess his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take

whatever actions s/he deems appropriate in consultation with the Educational Service Provider.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 1422 - Non-Discrimination. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. Interviews with the Complainant;
- B. Interviews with the Respondent;
- C. Interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. Consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or the designee shall prepare and deliver a written report to the Educational Service Provider that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board's legal counsel before finalizing the report to the Educational Service Provider.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Educational Service Provider must either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Educational Service Provider's final decision will be delivered to both the Complainant and the Respondent.

If the Educational Service Provider requests additional investigation, the Educational Service Provider must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Educational Service Provider must issue a final written decision as described above.

If the Educational Service Provider determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action

should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

The decision of the Educational Service Provider shall be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The Complainant may be represented, at his/her own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The School will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

All public records created as a part of an investigation of a complaint of discrimination/retaliation will be maintained by the CO in accordance with the Board's records retention policy.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Educational Service Provider shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against an employee, all subsequent sanctions imposed by the Board and/or Educational Service

Provider shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Educational Service Provider or designee shall provide appropriate information to all members of the School community related to the implementation of this policy and shall provide training for School students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

Reference: 42 U.S.C. 2000ff et seq., The Genetic Information Nondiscrimination Act
29 C.F.R. Part 1635

The Board of Directors prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Act (GINA), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the School's application process.

The School recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows or the Internet. The School prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information, or accessing sources from which they are likely to acquire genetic information.

"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

If the School either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment or a medical provider it shall be treated as a confidential medical record in accordance with law.

COs shall accept complaints of unlawful discrimination/retaliation directly from any member of the School community or a visitor to the School, or receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to any person who files a complaint. In the case of a formal complaint, the CO will prepare recommendations for the Educational Service Provider or oversee the preparation of such recommendations by a designee. All members of the School community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the student, if age eighteen (18) or older, or the student's parents if the student is under the age eighteen (18), within two (2) school days to advise s/he/them of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Any student who believes that s/he has been subjected to unlawful discrimination or retaliation may seek resolution of his/her complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun; the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights ("OCR"). The Cleveland Office of the OCR can be reached at 1350 Euclid Avenue, Suite 325, Cleveland, Ohio 44115; Telephone: (216) 522-4970; Fax: (216) 522-2573; TDD: (216) 522-4944; E-mail: ocr.cleveland@ed.gov; Web: <http://www.ed.gov/ocr>.

Informal Complaint Procedure

The goal of the informal complaint procedure is to quickly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who believes s/he has been unlawfully

discriminated or retaliated against. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is only available in those circumstances where the parties (the alleged target of the discrimination and individual(s) alleged to have engaged in the discrimination) agree to participate in it.

Students who believe that they have been unlawfully discriminated/retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a School employee or any other adult member of the School community against a student will be formally investigated.

As an initial course of action, if a student feels that s/he is being unlawfully discriminated/retaliated against and s/he is able and feels safe doing so, the individual should tell or otherwise inform the person who engaged in the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The complaining individual should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to inform the person who allegedly engaged in the unlawful conduct of his/her concerns is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination, such as sexual discrimination, the CO may advise against the use of the informal complaint process.

A student who believes s/he has been unlawfully discriminated/retaliated against may make an informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator in the school the student attends; (2) to the Educational Service Provider or other School-level employee; and/or (3) directly to one of the COs.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School's informal complaint procedure is designed to provide students who believe they are being unlawfully discriminated/retaliated against with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the student claiming unlawful discrimination/retaliation, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the student about how to communicate his/her concerns to the person who allegedly engaged in the discriminatory/retaliatory behavior.
- B. Distributing a copy of Policy 2260 - Non-Discrimination as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works or attends.
- C. If both parties agree, the CO may arrange and facilitate a meeting between the student claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.

All materials generated as part of the informal complaint process will be retained by the COs in accordance with the Board's records retention policy and/or Student records policy. (See Policy 8310 and Policy 8330)

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the student elects to file a formal complaint initially, the formal complaint process shall be implemented.

A student who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant") may file a formal complaint, either orally or in writing, with a teacher, Principal, or other employee at the student's school, the CO, Educational Service Provider, or another employee who works at another school or at the School level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a teacher, Principal, or other employee at the student's school, Educational Service Provider, or other employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in; the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person alleged to have engaged in the misconduct. In making such a determination, the CO should consult the Complainant to assess his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the Educational Service Provider.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation. A Principal will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent") that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 2260 - Nondiscrimination. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Educational Service Provider that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board's legal counsel before finalizing the report to the Educational Service Provider.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Educational Service Provider must either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Educational Service Provider's final decision will be delivered to both the Complainant and the Respondent.

If the Educational Service Provider requests additional investigation, the Educational Service Provider must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Educational Service Provider shall issue a final written decision as described above.

If the Educational Service Provider determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action

should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

The decision of the Educational Service Provider shall be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The Complainant may be represented, at his/her own cost, at any of the above described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a Complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The School will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

All records created as a part of an investigation of a complaint of discrimination/retaliation will be maintained by the CO in accordance with the Board's records retention policy. Any records that are considered student education records in accordance with the *Family Educational Rights and Privacy Act* or under Michigan's student records law will be maintained in a manner consistent with the provisions of the Federal and State law.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Educational Service Provider shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with

other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School community, all subsequent sanctions imposed by the Board and/or Educational Service Provider shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Educational Service Provider or designee shall provide appropriate information to all members of the School community related to the implementation of this policy and shall provide training for School students and staff where appropriate. All training, as well as all information, provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

The School will endeavor to assist the student and/or his/her parents in their access to School programs by providing notices to the parents and students in a language and format that they are likely to understand.

Materials approved by the State Department of Education describing the benefits of instruction in Braille reading and writing shall be provided to each blind student's individualized planning committee. The School shall not deny a student the opportunity for instruction in Braille, reading, and writing solely because the student has some remaining vision.

SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY

Reference: 29 USC 794, Section 504 Rehabilitation Act of 1973, as amended
34 C.F.R. Part 104
42 USC 12101 et seq., Americans with Disabilities Act of 1990, as amended

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504,,"), the Americans with Disabilities Act of 1990, as amended ("ADA") and the implementing regulations (collectively "Section 504"), no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Directors does not discriminate in admission or access to, or participation in, or treatment in, its programs or activities. As such, the Board's policies and practices will not discriminate against students with disabilities and will make accessible to qualified individuals with disabilities its facilities, programs, and activities. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the School.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aids and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive technology, reasonable accommodations or auxiliary aides or services, or learned behavioral or adaptive neurological modifications.

With respect to public preschool, elementary and secondary educational services, a qualified person with a disability means a disabled person:

- A. who is of an age during which nondisabled persons are provided educational services;
- B. who is of any age during which it is mandatory under Michigan law to provide educational services to disabled persons; or

- C. to whom the State is required to provide a free appropriate public education pursuant to the Individuals with Disabilities Education Improvement Act (IDEA).

With respect to vocational education services, a qualified person with a disability means a disabled person who meets the academic and technical standards requisite to admission or participation in the vocational program or activity.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the School's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "Compliance Officer(s)").

[NOTE: Academies may want to consider appointing both a male and a female School Compliance Officer in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. Additionally, by appointing two (2) School Compliance Officers, there should always be a Compliance Officer available to investigate a claim that pertains to the other Compliance Officer.]

Superintendent
15740 Racho Rd.
Taylor, MI 48180
(734) 374-8222

The names, titles, and contact information of this/these individual(s) will be published annually in the staff handbooks.

The Compliance Officer is responsible for coordinating the School's efforts to comply with and fulfill its responsibilities under Section 504 and Title 11 of the ADA. A copy of Section 504 and the ADA, including copies of the implementing regulations, may be obtained from the Compliance Officer.

The Compliance Officer will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints.

The Educational Service Provider will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. (See below). The Educational Service Provider will further establish and implement a system of procedural safeguards in accordance with Section 504, including the right to an impartial due process hearing. (See AG 2260.018).

Training

The Compliance Officer will also oversee the training of employees in the School so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Educational Service Provider will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the School's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the School will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the School is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto. Programs and activities will be designed and scheduled so that the location and nature of the facility or area will not deny a student with a disability the opportunity to participate on the same basis as students without disabilities.

Education

The Board is committed to identifying, evaluating, and providing a free appropriate public education (FAPE) to students within its jurisdiction who have a physical or mental impairment that substantially limits one or more major life activities, regardless of the nature or severity of their disabilities.

An appropriate education, may include regular or special education and related aids and services to accommodate the unique needs of students with disabilities. For disabled students who are not eligible for specially designed instruction under the IDEA, the special education and related aids and services (including accommodations/modifications/interventions) they need in order to have their needs met as adequately as the needs of nondisabled students are met, shall be delineated, along with their placement, in a Section 504 Plan (Form 2260.01A F13). Parents/guardians/custodians ("parents") are invited and encouraged to participate fully in the evaluation process and development of a Section 504 Plan.

The Board is committed to educating (or providing for the education of) each qualified person with a disability who resides within the School with persons who are not disabled to the maximum extent appropriate. Generally, the School will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment even with the use of supplementary aids and services cannot be achieved satisfactorily. If the School places a person in a setting other than the regular educational environment, it shall take into account the proximity of the alternate setting to the person's home.

The School will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities.

Notice

Notice of the Board's policy on nondiscrimination in education practices and the identity of the Compliance Officer will be posted throughout the School, and published in the School's recruitment statements or general information publications.

Adopted 3/30/11 Revised 3/28/12

The Educational Service Provider shall develop Administrative Procedures for the proper implementation of this policy.

Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), parents and students will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, students and their parents will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights. Finally, students and parents will be advised of their right to request a due process hearing before an Impartial Hearing Officer (IHO) regarding the identification, evaluation or educational placement of persons with disabilities, including the right to participation by the student's parents or guardian and representation of counsel, and their right to examine relevant education records.

Internal complaints and requests for due process hearings must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint or the request for a hearing, and offer possible solutions to the dispute. The complaint or request for due process hearing must be filed with the Compliance Officer within specified time limits. The Compliance Officer is available to assist individuals in filing a complaint or request.

Internal Complaint Procedures

An internal complaint may be filed by a student and/or parent. A student and/or parent may initiate the internal complaint procedure when s/he/they believe that a violation, misapplication or misinterpretation of Section 504 has occurred. Additionally, the following procedure may be used for any disagreement with respect to actions regarding the identification, evaluation, or educational program or placement of students who are identified as disabled or believed to be disabled pursuant to Section 504, and are not eligible under the IDEA, except in the case of disciplinary actions where the provisions of the Student Code of Conduct apply. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights or requesting a due process hearing.

Step 1 Investigation by the Compliance Officer: A student or parent may initiate an investigation by filing a written internal complaint with the Compliance Officer. The complaint should fully describe the circumstances giving rise to the dispute and how the child is adversely affected. The complaint must be filed as soon as possible, but not longer than thirty (30) calendar days after disclosure of the facts giving rise to the complaint. The Compliance Officer shall conduct an impartial investigation of the complaint. As part of the investigation, the Compliance Officer shall permit the complainant to present witnesses and other evidence in support of the complaint. The investigation shall be completed within fifteen (15) school days of the written complaint being filed. The Compliance Officer will notify the complainant in writing of his/her decision.

Step2 If the complaint is not resolved satisfactorily at Step 1, the student or parent may request a due process hearing, provided the complaint involves an issue related to the identification, evaluation, or placement of the student.

If it is determined that the Complainant was subjected to unlawful discrimination, the Compliance Officer must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if a student or parent believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation, is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.
