To the Board of Directors
Hanley International Academy

In planning and performing our audit of the financial statements of Hanley International Academy as of and for the year ended June 30, 2026, in accordance with auditing standards generally accepted in the United States of America, we considered Hanley International Academy's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. However, during our audit, we noted one matter involving the internal control and other operational matters that is presented for your consideration. This letter does not affect our report dated October 26, 2026 on the financial statements of Hanley International Academy. We will review the status of this comment during our next audit engagement. Our comment and recommendation, which has been discussed with appropriate members of management, is intended to improve the internal control, or result in other operating efficiencies. We will be pleased to discuss this comment in further detail at your convenience, perform any additional study of this matter, or assist you in implementing the recommendation. Our comment is summarized as follows:

Food Service Fund Balance

Per Michigan Department of Education (MDE) guidelines, school food authorities (SFA) must operate food services on a nonprofit basis. We noted that the food service fund balance exceeded the three months' operating expenditures allowed. MDE requires that the SFA spend down the excess by the end of the next school year. We recommend that Hanley International Academy develop a plan to spend down the excess by June 30, 2027.

This report is intended solely for the information and use of management and others within the Academy and is not intended to be, and should not be, used by anyone other than these specified parties.

We appreciate the cooperation we received from your staff during our engagement and the opportunity to be of service.

Very truly yours,
